—The dry cold weather of the early winter months is productive of a great deal of croup among children. Mothers should be on the lookout for it, and be prepared to arrest it as soon as the first symptoms appear. True croup never comes without a warning; a day or two before the attack the child will become hoarse, and that symptom is soon followed by a peculiar, rough cough. If Chamberlain's Cough Remedy is given as soon as this hoarseness or cough appears, all danger and anxiety may be avoided. It has never failed, even in the most severe cases. There is no danger in giving the Remedy for it contains no injurious substance. For Sale by G. C. Thaxter.

—The immense sale of Chamberlain's Cough Remedy has been produced to a great extent, by people who have been cured by it telling their friends and neighbors of its good qualities and urging them to try it. The most severe cold will soon yield to its soothing effects. For Sale by G. C. Thaxter.

## ARTESIAN WELLS.

Assemblyman McQuitty's Senate Bill.

AN ACT—To amend and supplement section thirteen of an act entitled "an Act to provide for the selection and sale of lands that have been or may hereafter be granted by the United States to the State of Nevada," approved March 12, 1885.

The people of the State of Nevada, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section thirteen of said Act above entitled is hereby amended and supplemented so as to read as follows:

Section Thirteen. An occupant, or party in possession, shall have a preferred right to purchase all the land that he or she be entitled to purchase for the period of six months after the date of approval to the State of the lands occupied by or possessed by him or her, and where two or more persons, each claiming a preferred right by reason of occupancy or possession, apply to purchase the same lands, the Register shall certify such applications to the District Court of the county in which such lands are situated, and notify the contesting applicants thereof. An occupant or party in possession, as named in this Act and section, shall be deemed and considered to include and define any person firm, company, corporation or association that shall, after the passage of this Act, commence and prosecute with due diligence the sinking of artesian wells, or an artesian well, upon any unoccupied public lands subject to selection and sale by the State of Nevada according to the requirements of "An Act to encourage the sinking of artesian wells," approved March fifth, one thousand eight hundred and eighty-seven, and every such person, firm, company, corporation or association, shall be entitled to and receive all the rights and privileges of an occupant or party in possession as to preferred rights to purchase, when he shall have complied with the provisions of said Act concerning said well, and the requirements herein written as to diligence in the prosecution of said work; and upon the proof that said person, firm, company, corporation or association has complied herewith, its said preferred rights shall date from the commencement of the sinking of said well or wells; the Judge or Court shall then appoint a commissioner in the vicinity of the land so in dispute to take and report to such Court all the testimony of the parties in the case. The contest shall then be tried and determined as ordinary actions in said Court, and when so determined shall be certified to the Register, who shall proceed the earlier with the successful contestant in the same manner as if he alone had applied in the premises; provided, that all the costs attending such contest shall be paid by the parties litigant as the Court or Judge may determine; and, provided further that a preferred right shall be based upon occupancy or possession, and including the definition thereof herein and above written, dating prior to any existing valid application to purchase the land having been filed with the Register. When two or more persons, neither claiming a preferred right, apply to purchase the same land, the first applicant shall be allowed to purchase. When applications for the same tract of land are made simultaneously, neither of the parties claiming a preferred right, the applications shall be certified to the District Court of the county in which such lands are situated in the same manner as in cases where preferred rights have been filed, within thirty days of the expiration of the six months allowed for that purpose; the prior applicant shall be allowed thirty days from the date of such last filing in which to file his or her preferred right. It shall be the duty of the Land Register to notify, within a reasonable time, by registered letter, all unsuccessful applicants for land to withdraw their applications and moneys deposited in connection herewith. In case the applications and moneys so deposited are not withdrawn within six months from the date of such notice, such applications and moneys shall be forfeited to the State. All claims of preferred right must be made by affidavit before an officer authorized to administer oaths.

Sec. 2. This Act shall take effect from and after its passage.
